# OASIS-C2: Focus on Accuracy

## 5-Part Webinar Series

**6-Month Access to Ensure All Staff Are Trained • All for Just \$599**

This [nationally-attended, affordable series of 5 webinars will cover the OASIS section by section and discuss the problematic areas and new OASIS-C2 items and provide an opportunity for questions and answers.](#) The Centers for Medicare and Medicaid Services (CMS) require the collection of OASIS items on all appropriate home health patients at several time points. CMS provides both annual and quarterly updates to their guidance on how to appropriately respond to the items. Are you current with this evolving guidance?

These educational webinars will focus on assisting home health clinical staff, QI Coordinators and supervisors who want to increase their knowledge related to OASIS completion. The sessions will identify the items that contribute to the new CMS value-based purchasing model and provide tips for accurate completion.

**Part One:** This webinar will cover the OASIS data collection requirements, general conventions, and CMS resources. The Patient Tracking, Clinical Record items, and OASIS credentialing opportunities will be discussed.

**Part Two:** This webinar will cover the Patient History & Diagnoses, Living Arrangements, Sensory Status items

**Part Three:** This webinar will cover the Integumentary Status and Respiratory items

**Part Four:** This webinar will cover the Cardiac Status, Elimination Status, Neuro/Emotional/Behavioral Status, and the ADL/IADL items.

**Part Five:** This webinar will cover the Medication, Care Management, Therapy Need, Plan of Care/Intervention Synopsis, Emergent Care, and Discharge items

**Webinar Presenter:** Heather Jones, MPH, CHES, COS-C, is the Associate Vice President for Quality Initiatives & State Relations for AHHC/SCHCHA. Prior to joining the Association, Heather was with the Carolinas Center for Medical Excellence, a Medicare Quality Improvement Organization. Heather is a Certified Health Education Specialist and holds a Certificate as an OASIS Specialist-Clinical.

The recordings of the webinars will be available for 6 months following the conclusion of the final webinar (until August 16, 2017). The webinar format allows education of home health clinicians, supervisors and quality coordinators in a concise and low cost format plus the added bonus of having access to the recordings for a full 6 months provides additional flexibility to ensure everyone in the agency has an opportunity to access the information.

**Convenience:** Enjoy the convenience and cost-efficiency of a webinar – watch the speaker’s slide presentation on the internet while listening by telephone or through your computer’s microphone and speakers (VoIP). There is no limit to the number of attendees from your agency who may participate at your site using one phone line and a computer with internet access.

Your agency will have access to the link until August 16, 2017 so get the most out of your purchase by ordering today. During that time, any member of your staff may access the links for their OASIS education. The link may not be shared outside your agency and is not downloadable. Usage is monitored. If paying by check or credit card mail form with total fees to: AHHC, 3101 Industrial Drive, Suite 204, Raleigh, N.C., 27609.
