

OASIS-C1: A Play by Play

Audio Recording Series

This affordable series of 5 audio recordings will cover the OASIS section by section and discuss the problematic areas. You may purchase any or all of the recordings. Each one stands alone.

The Centers for Medicare and Medicaid Services (CMS) require the collection of OASIS items on all appropriate home health patients at several time points. CMS provides both annual and quarterly updates to their guidance on how to appropriately respond to the items. Are you current with this evolving guidance?

These educational teleconferences will focus on assisting home health clinical staff, QI Coordinators and supervisors who want to increase their knowledge related to OASIS completion and also will cover the requirements for the OASIS credential exams and offer tips to prepare for the exams.

Part One:

This recording covers the OASIS data collection requirements, general conventions, and CMS resources. The Patient Tracking, Clinical Record items, and OASIS credentialing opportunities are discussed.

Part Two:

This recording covers the Discharge Patient History & Diagnoses, Living Arrangements, Sensory Status items

Part Three:

This recording covers the Integumentary Status and Respiratory items,

Part Four:

This recording covers the Cardiac Status, Elimination Status; Neuro, Emotional, Behavioral Status; and the ADL/IADL items.

Part Five:

This recording covers the Medication, Care Management, Therapy Need, Plan of Care/Intervention Synopsis, Emergent Care, and Discharge items.
